

SGLL 24" LED Linear

The LED light is easy to install and can be mounted flush to the ceiling or suspended by aircraft cables (included). Easily link multiple fixtures together using the end-to-end connector for simultaneous, instant-on lighting in larger spaces. The LED Light features durable code-gauge steel and a textured white acrylic diffuser.

Linking Multiple Fixtures

- End-to-end connector included

- Optional 18" connector cord (sold separately)

Flush or Suspension-Mount

- 18" aircraft cables included

Motion Sensor

- 360° motion detection for automatic On/Off
- Passive Infrared Technology (PIR)
- Save money by saving energy
- Extends fixture life
- Adjustable 1-10 minute delay for auto-off

Plug-in or Direct Wire

- 5' power cord included
