

Bravado Remote

Die-cast Aluminum Remote

Job/Location: _____

Contractor: _____ Prepared By: _____

Model Number: _____ Date: _____

MECHANICAL SPECIFICATIONS

The **BRAVADO** is constructed from a durable, fully gasketed NEMA 4X and IP66 rated die-cast aluminum housing. Universal mounting pattern and key hole slots are stamped into the mounting backplate. The **BRAVADO** is supplied standard in a durable gray powder coat, baked finish. Other colours are available, including colour matching, please specify. CSA 22.2 No. 141-15 Performance Certified.

SANITATION LISTED (SL)

The **BRAVADO** is sanitation listing approved. The Intertek verified splash zone listing is equivalent to the NSF standard 2, meeting the rigorous sanitation, electrical safety and performance standards of food service environments.

TAMPER RESISTANT DESIGN

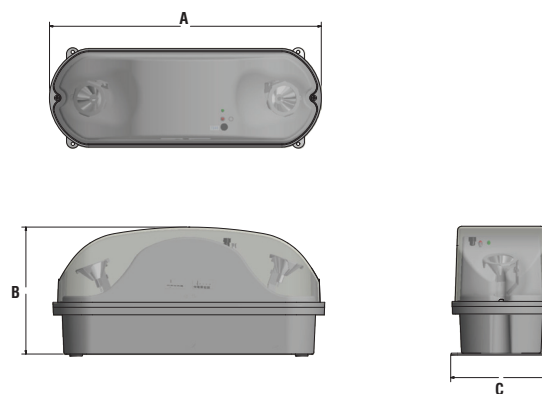

The **BRAVADO** series of vandal resistant emergency lighting units are designed to stand up to abuse in applications such as schools, public areas, institutions and apartment complexes where vandalism may potentially occur. The heavy die-cast aluminum body and polycarbonate lens offer extreme protection and superior performance. Tamper resistant screws are standard and ensure the integrity of the unit.
