or LED lamps or universal
3W LED module.

Innovative rotary lock-
ing collar

LED MODULE

LED MR-16

Tool-less adjustable
swivel locks head in place

Matching canopy to fit
standard
junction boxes

REMOTES

SR - SMALL STYLE EMERGENCY REMOTE

The **SR SERIES** of remotes are constructed of high impact thermoplastic and feature an innovative rotary locking collar design that securely locks the lens and reflector assembly into place. The locking collar allows maintenance personnel to quickly and easily complete relamping. A tool-less mechanically adjustable swivel locks the head in position once adjusted. The matching canopy fits all standard electrical junction boxes. The **SR** is supplied standard in a white colour, black colour is optional.

OPERATING TEMPERATURE

Operating temperature: -20 to 40°C.

5W LED LAMP FOR STOCK

The 5W LED lamp is available in 6-24V. To stock one LED model for all voltages, choose the model number:

SR-1-6/12/24V-5WLED

Also available with 2, 3 and 4 heads.

CSA 22.2 No. 141-15 Performance Certified.
