\*When installed and used properly with plug and connector body combinations.

**HBL6031****HBL6032****HBL3WAA****SK2****Insulgrip® Plug and Connector Body Latching Kit**

The Hubbell latching kit provides both improved safety and security through a double locking feature that makes unintentional disconnection virtually impossible – even under high vibration situations. The plug and connector body lock once when first connected, then again when you push the special position locking slide into place.

**Insulgrip® Latching Kit**

| Description                                                           | Catalog Number |
|-----------------------------------------------------------------------|----------------|
| For all 3 wire 20A and 30A Twist-Lock Insulgrip plugs and connectors. | <b>SK2</b>     |
