PENDANTS

PROJECT

DESCRIPTION

This sophisticated unparalleled designed LED pendant is one of a kind masterpiece. From each viewable angle you will perceive a different architectural look, with three layers of eccentric arched metal bands combined together. Inside each band is our powerful 120V AC LED technology diffused by inner frosted acrylic curved diffusers, when lit the light illuminates elegantly throughout all the inner bands and into the surrounding area. Available in black, brushed nickel, walnut and white metal finishes.
