

Available in 1x4 , 2x2, 2x4 Sizes

Universal Voltage 100-347VAC

0-10V Dimmable

3500K & 4000K

## FP3-Series LED Flat Panel

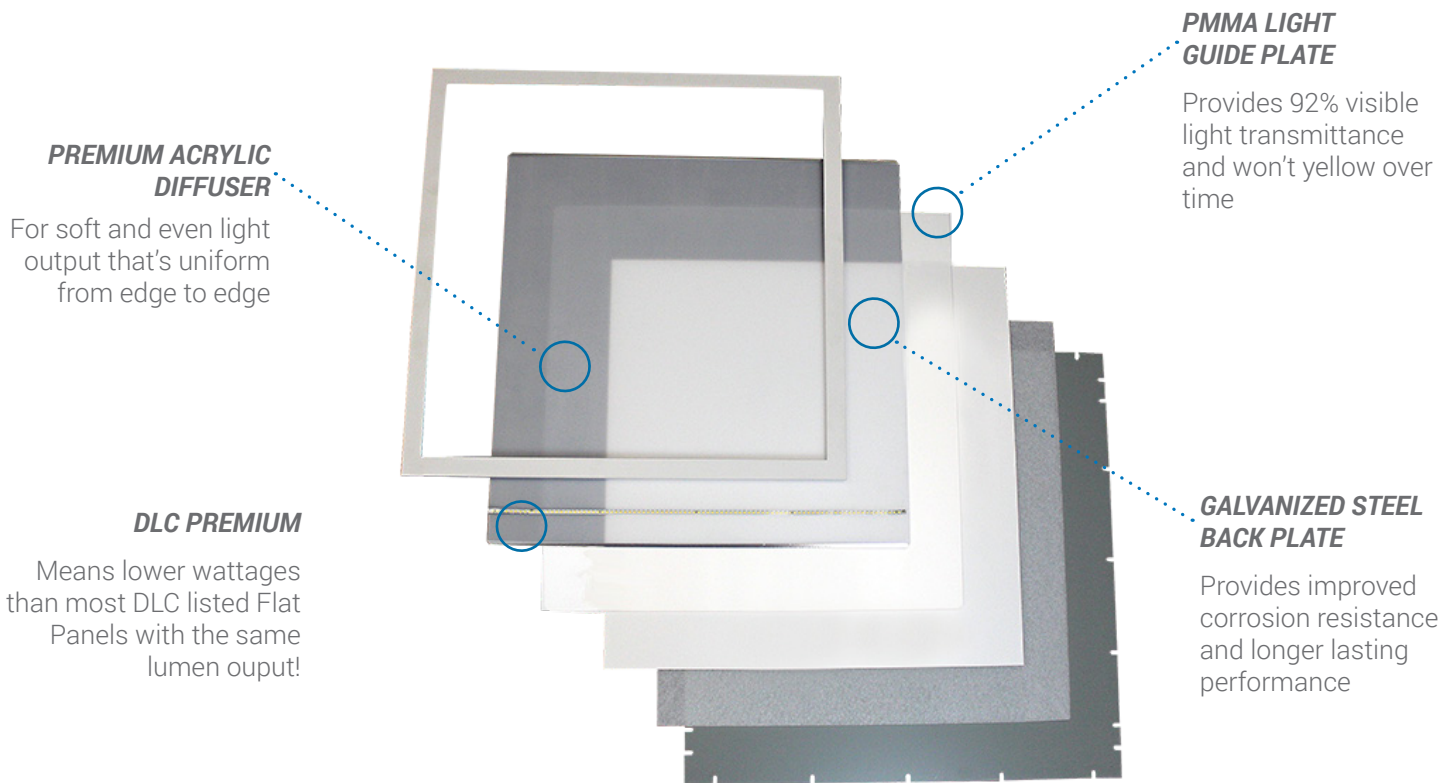

The FP3-Series LED Flat Panel ceiling light is a high performance, commercial grade, universal voltage solution that is suitable for offices, hospitals, schools, and so much more.

Our Flat Panels use a PMMA light guide plate, which means they won't yellow over time. They are fully dimmable, require no warm-up, and produce very little heat, making them an efficient replacement for traditional fluorescent lighting.

### Key Features & Benefits

- Universal voltage (100-347VAC)
- Non-yellowing PMMA light guide plate provides uniformity and stability
- Galvanized steel back plate for improved corrosion resistance
- Premium junction box for quick access to terminal connections
- Post-painted frames for invisible mitre joints
- 0-10V dimmable driver for complete control
- For installing into existing T-bars, surface mounting or suspension via aircraft cables
- Worry-free 10 year warranty

# WHY CHOOSE THIS FIXTURE?

Surface Mount Kit

Aircraft Cable Kit

## MULTIPLE MOUNTING OPTIONS

Ready to install into existing T-bars out of the box; or add the optional surface mount kit or aircraft cable for additional mounting flexibility

## Available Models

| MODEL#              | VOLTAGE    | WATTAGE | LUMEN | CRI | SIZE | CCT   | DIMMING        |
|---------------------|------------|---------|-------|-----|------|-------|----------------|
| <b>FP3-1430P-35</b> | 100-347VAC | 30W     | 3825  | ≥83 | 1x4  | 3500K | 0-10V Dimmable |
| <b>FP3-1430P-4</b>  | 100-347VAC | 30W     | 3838  | ≥83 | 1x4  | 4000K | 0-10V Dimmable |
| <b>FP3-2230P-35</b> | 100-347VAC | 30W     | 3955  | ≥83 | 2x2  | 3500K | 0-10V Dimmable |
| <b>FP3-2230P-4</b>  | 100-347VAC | 30W     | 3979  | ≥83 | 2x2  | 4000K | 0-10V Dimmable |
| <b>FP3-2440P-35</b> | 100-347VAC | 40W     | 5218  | ≥81 | 2x4  | 3500K | 0-10V Dimmable |
| <b>FP3-2440P-4</b>  | 100-347VAC | 40W     | 5290  | ≥81 | 2x4  | 4000K | 0-10V Dimmable |
