### General

|                           |                             |
|---------------------------|-----------------------------|
| Status                    | Active                      |
| Finish                    | Black                       |
| Wattage                   | 17W/25W                     |
| Lumen Output              | 2190L-3352L                 |
| CCT (Kelvin)              | 3000K/4000K/5000K           |
| Temperature               | Soft White to Natural Light |
| IP Rating                 | IP65                        |
| Indoor or Outdoor Fixture | Outdoor                     |

### Specifications

|                       |                                 |
|-----------------------|---------------------------------|
| Technology            | LED                             |
| CRI                   | 80+                             |
| Voltage               | 120V                            |
| Beam Angle            | 103                             |
| Rated Hours           | 50000                           |
| Operating Temperature | -30C (-22F) to +50C (+122F)     |
| Photocell or Sensor   | Has Photocell                   |
| Lens Material         | Polycarbonate (PC)              |
| Surge Protection      | Built-in surge protection - 2KV |
| Weight (lb.)          | 1.33                            |
| Material              | Die-Cast Aluminum               |

### Dimensions

|                 |      |
|-----------------|------|
| Height (in.)    | 4.41 |
| Width (in.)     | 9.17 |
| Extension (in.) | 5.43 |

### Compliance

|                        |                                     |
|------------------------|-------------------------------------|
| Safety Listing         | cULus - Certified                   |
| Location Rating        | Wet                                 |
| ADA Compliant          | No                                  |
| CA T20 / T24 Rationale | T20 Exempt - Fixtures Not Regulated |
| California Status      | Lawful for sale in California       |
| Title 20 / 24 Status   | Lawful for sale                     |
| California Prop 65     | Lead                                |
| RoHS Compliant         | Yes                                 |
| FCC Compliant          | Yes                                 |

### Additional Information

|                        |                                                                                                 |
|------------------------|-------------------------------------------------------------------------------------------------|
| Additional Information | Nightlight Watts - 3W; Nightlight Lumens - 108L; Nightlight Efficacy - 36.00 LPW; Powder Coated |
| Specification Note     | Nightlight CCT: 4000K                                                                           |
| Installation Notes     | Mounts to Recessed or External Junction Boxes                                                   |
| Warranty               | 5 Year Limited - Fixtures                                                                       |
