**General**

|                         |                |
|-------------------------|----------------|
| Status                  | Active         |
| Watts                   | 14W            |
| Incandescent Equivalent | 100W           |
| Volts                   | 120V           |
| Shape                   | PAR38          |
| Base                    | Medium         |
| ANSI Base               | E26            |
| Finish                  | White          |
| CCT (Kelvin)            | 3000K          |
| Temperature             | Soft White     |
| CRI                     | 90+            |
| Lumens                  | 1150L          |
| Beam Spread             | 40             |
| Dimmable                | Non-Dimmable   |
| Hours Rated             | 15000          |
| Photocell or Sensor     | Has PIR Sensor |
| Product Category        | PAR            |
| Technology              | LED            |

**Electrical**

|                       |                            |
|-----------------------|----------------------------|
| Operating Frequency   | 60Hz                       |
| Power Factor          | 0.8                        |
| Operating Temperature | -20C (-4F) to +40C (+104F) |

**Physical**

|              |      |
|--------------|------|
| MOL          | 5.35 |
| MOD          | 4.85 |
| Weight (lb.) | 0.76 |

**Additional Information**

|                            |                                                                                                                                                                                                                                                                                                                                                                                                          |
|----------------------------|----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Additional Info            | The lamp has an integrated motion-activated sensor designed to activate between dusk and dawn. It remains inactive in the absence of motion but turns on for a duration of 5 minutes once motion is detected. This functionality can be overridden by toggling the bulb's switch on and off twice within a span of 3 seconds, allowing it to remain continuously illuminated like a standard light bulb. |
| Rated For Enclosed Fixture | No                                                                                                                                                                                                                                                                                                                                                                                                       |
| Installation Notes         | To achieve optimal sensor reading, make sure the sensor is facing the desired motion area within proper distance and angle.                                                                                                                                                                                                                                                                              |
| Specification Note         | Dual Mode Capable: Motion or On-Off Switch                                                                                                                                                                                                                                                                                                                                                               |
| Warranty                   | 3 Year Limited                                                                                                                                                                                                                                                                                                                                                                                           |
