

Project:

Grapes Small LED Pendant w/Micro- Dome Spec Sheet

SKU: 2910.14-SML

Grapes are luminous LED spheres, arrayed in precise or random patterns, in clusters, or as single points of light. Seen from the middle or above, the crystal appears clear with a subtle luminance. Moving below, the crystal facets become increasingly apparent, refracting the light into a dazzling radiance. Also available in a [chandelier](#).
