LED HBM Series Modular High Bay

Product Specifications

The LED HBM Series Modular High Bay features a lightweight, customizable design that provides exceptional light distribution for mounting heights up to 60 feet. This durable, 70° C rated fixture efficiently delivers over 150 LPW of bright, white, uniform light to maximize energy savings and utility rebates. The long 50,000-hour rated life significantly decreases maintenance, labor and material costs over the life of the fixture. A 0-10V dimming driver comes standard, enabling easy integration with a variety of control options.

Reasons to choose the LED HBM Series High Bay from TCP

- Built for extreme temperatures: 70° C Rated
- Modular design allows for limitless customization
- Energy efficient: Up to 67% energy savings compared to HID equivalents
- Smooth, uniform dimming (0-10V) standard
- Instant on - no warm up time for full light
- Long life: 50,000 hours
- Durable, lightweight aluminum housing

Ideal Applications

- Steel Mills
- Paper Mills
- Heavy Industrial Plants
- Commercial Facilities
- Field Houses & Gymnasiums
- Open Ceiling Designs
- Warehouse and Distribution Centers

Specifications

Input Line Voltage	120-277 or 347-480 VAC
Input Line Frequency (Hz)	50/60HZ
Wattage (W).....	200W
Lumens (L).....	30,000L
Lumens per Watt(LPW).....	>150LPW
Rated Life.....	50,000 hours
Minimum Starting Temperature	-40°C (-40°F)
Maximum Operating Temperature.....	70°C(158°F)*
CRI.....	>82
Power Factor	>0.90
THD.....	<20%
Ratings	cULus wet location rated, IP66
Controls.....	0-10V dimming (standard)

*Maximum Operating Temperature decreases to 55°C when additional units are assembled together

Precision cut heat sink fins provide thermal protection for LED board

Unlimited customization due to modular design

Side by side assembly resulting in a 400W Luminaire

End to end assembly resulting in a 400W Luminaire

Order consists of:
 - (2) HBMUZA450K90D
 - (1) HBMPBTBAG
 - (2) EXPYHANGKIT10FT

TCP LED Technology

The HBM Series Modular High Bay has been packaged with premium TCP chips. A glass dome on each diode results in a high foot candle at the working plane.

Replacement Strategy

SYSTEM	FIXTURE CONFIGURATION	TOTAL FIXTURE WATTAGE	LED ENERGY SAVINGS
TCP HBM Series - 30,000 lumens	(1) 200W Luminaire	200	—
400W Metal Halide		458	56%
TCP HBM Series - 60,000 lumens	(2) 200W Luminaires	400	—
1000W Metal Halide		1081	63%

Applications

The TCP LED HBM Series Modular High Bay is ideal for replacing traditional metal halide high bay systems in high temperature environments. Primary applications include steel mills and other heavy industrial plants, commercial facilities, manufacturing facilities, field houses and other applications with a suggested mounting height up to 60 feet. Benefits include high efficiency, excellent color rendering, long life, instant on, and a modular design that will satisfy the most complex of lighting applications.

Construction

- Durable, lightweight aluminum body
- Finish: powder coated, post-painted black
- Modular design: unlimited lighting design solutions
- Lightweight, low-profile design
- 6FT power cord comes standard

Electrical

- cULus damp location rated
- 0-10V dimming driver (standard)
- Easy-to-access wiring compartment
- System rated for long 50,000 hour life
- Efficiently delivers >150 LPW

Optics

- High impact, clear acrylic lens comes standard to protect the LEDs and minimize glare
- Delivers bright, white light and excellent uniformity
- 90 degree optics designed for high ceiling applications

Warranty

Five year limited warranty against defects in manufacturing.*

*Warranty is valid when operating in ambient temperatures below 167°F/70°C for one single fixture. Warrantied maximum operating temp drops to 131°F/55°C when 2 or 3 three fixtures are assembled together.

Lumen Maintenance Factor (LMF)

Lumen Package	36,000 hours ¹	50,000 hours ¹	100,000 hours ²	Reported L ₇₀ (hours)

TECHNOLOGY CAST IN A BEAUTIFUL LIGHT

For over 20 years, TCP has been designing, developing and delivering energy-efficient lighting into the market. Thanks to our cutting-edge technology and manufacturing expertise, we have shipped billions of high quality lighting products. With TCP, you can count on a lighting product that is designed to meet the needs of the market - that transforms your surroundings and envelopes you in warmth - lighting that generates beauty with every flip of the switch.
